**European Directive 2011/65/EU (RoHS 2) "Restriction of the use of certain hazardous substances in electrical and electronic equipment (EEF)"**

The following is valid for products supplied by Stanfo to be used in EEE, which is within the scope of directive 2011/65/EU.

Stanfo hereby confirm that, through signed Agreement on Cooperation with our suppliers, we make sure that the content of restricted substances listed in Annex II of Directive 2011/65/EU is within the permitted level for materials and parts supplied to Stanfo.

We can therefore confirm, to our best knowledge, that the content of restricted substances listed in Annex II of Directive 2011/54/EU is within the permitted level for Stanfo standard- and customized products in lacquered or stainless steel.

For questions in relation to the above, pls. contact the CUBIC group responsible in this matter Mr. Ove Nielsen, Manager R&D.

Yours sincerely  
Stanfo
